Letter of Recommendation

To US Embassy in Armenia:

It is my pleasure to recommend ARIES CATERING to US Embassy in Armenia for managing the Embassy Cafeteria. Our Union of Businessmen and Manufacturers of Armenia uses the services of the ARIES Catering on regular basis. We are always satisfied with the high quality of the food and beautiful display. They have well trained waiters and a very capable manager, Mr. Avetik Ghukasyan, who is a member of our Union as well. The ARIES company has very flexible pricing policy and they try to suit every clients need.

We have no hesitation in recommending ARIES CATERING to US Embassy for managing the U.S. Embassy cafeteria.

President
