The Embassy of the Republic of Bulgaria in the Republic of Armenia presents its complements to the Embassy of the United States of America in Armenia and has the honor to recommend Mr. Avetik Ghukasyan and his company "ARIES CATERING" LTD. for managing the U.S.Embassy cafeteria. Our Embassy has used the services of ARIES for organization of receptions on two occasions: **first**, when Bulgarian Charge d'Affaires was introduced to Diplomatic Corps and the Ministry of Foreign Affairs of Armenia and **second**, on National Holiday of Bulgaria. In both cases Bulgarian Officials were pleased with the exclusively high quality of the food and decoration, as well as the service. In addition, it's important to mention that the prices of ARIES are very competitive.

The Embassy of the Republic of Bulgaria in Armenia avails itself of this opportunity to renew to the Embassy of the United States of America in Armenia the assurances of its highest consideration.
